

Willow Rae Chaney

February 6, 2021 - February 8, 2021

Willow Rae Chaney passed peacefully in the arms of her parents on February 8, 2021.

She was born on February 6, 2021 at 10:53 PM.

Willow was the daughter of Takeru Woodrum and Dylan Chaney.

She is survived by her loving brother Tristen Chaney.

Her paternal grandparents are Michael Chaney and Katie Gray of Marietta, South Carolina and Marta Chaney of Columbia, Maryland; and maternal grandmother Kesha Bogan of Baltimore, Maryland. Cherished niece, cousin, and great-granddaughter.

Willow, our forever baby girl, gave us a lifetime of love during her short time on earth. During her day of life she got to experience her mother and father's touch, a taste of her mother's milk, and was told "I love you" an uncountable amount of times. She touched so many lives in utero and during her day on earth side.

Willow was diagnosed with a very rare gene mutation called Costello Syndrome and a few Congenital Heart Defects. In the honor of Willow's memory, we are asking for those that can, to donate to Costello Syndrome Family Network
